Since they are so hard to find, our team of experts constantly look for them and only present you with the best ones. New casinos are launched every day, but not all of them are fair and trustworthy. That is why our purpose is to test and verify them so you only have the best options in all Canada to choose from

Everything is possible but you need to have your strategy clear when you enter the casino lobby. You can either hit the jackpot slots directly or maybe claim a bonus, try to play through the wagering requirement and unlock a bit more real money to play with. One way is to always choose high volatility slots with high return-to-player percentages and keep your fingers crossed for that one single big win with 100+ multiplier.

So where do you find information about the payment limits? A lot of casinos have a dedicated page for this information (usually found under payments) but if you cannot find it, there are other ways to play detective as well. A) do they have a FAQ page? There are almost always questions about payments as well. B) Check the terms and conditions. The amount of text might seem impossible to go through and that's why we recommend using CTRL+F. C) Or ask directly from the live chat, they will know the answer.

Table games such as Blackjack and Baccarat test your memory and card skills. This type of game recreates the intensity of a casino environment. Poker, on the other hand, tests your card knowledge and allows you to play against either AI dealers or other players from around the world. Live dealer games are also something we would expect to see. A live dealer game uses a live video feed – you physically see a human dealer who creates a fun gaming experience. Some games feature a progressive jackpot – payout increases each time the game is played, but the player hasn't won.
