Noooooo by Binkybunnykitty2021 on 2021/11/02 15:06 There is wayyyy too many ads in this game. It is so frustrating. I lose my lives because of all the ads. I spend money to get better equipment and try to get more lives but then the app glitches and logs me out. Then I am stuck with only a couple of lives left. Then when I go back on the app, it deletes half of my stuff that I worked hard to get, like levels that took me hours and days to complete. I would not recommend this game to anyone.",

Versions of the game have been released for iOS devices, Android devices, and desktops running Mac OS X. The main idea for Coin Master was first conceived in 2021 by Mike Miller, who had previously made games that pitted wizards against each other using fantasy-themed cards similar to ones used in "Magic: The Gathering". Miller was unable to find a developer to make what he saw as a "simple version" of the game, however, and so the idea went on to sit on the shelf due to lack of interest in the market at the time.",

The first 2021 people who pre-ordered the original "Coins & Curses" from United Pixelworkers received special recognition in-game within "Coins & Curses 2". Coins & Curses 2 is currently available on mobile applications and can be played directly in any compatible browser or downloaded through an app for PC/Mac devices and tablets. The game is slated for release on Steam as well as the upcoming Nintendo Switch console sometime in 2021.",

The "Coin Master: Puss in Boots "(Kasegi 2: Bukimi no Tane)" hack enables players to get unlimited coins and gems. By removing the gems from your inventory, you will still have the game unlocked as well as all the features that come with it! You can install the mod in two ways: permanent and temporary. You can use the permanent version to avoid any in-app purchases or data loss. The tool also contains a blacklist which you can use to block certain games from being hacked. Love this game by Lucky315 on 2021/07/21 13:24 I love this game. I'm not very good at it yet, but I can already tell that it's going to be a favorite. Great job! There are so many ads though, if they weren't there I would rate this app 5 stars!",

Coins by CeceCeceCece on 2021/12/13 16:27 I love this game and have been playing it for years. I have reached a level where there is no more available to play and therefore am unable to make any upgrades for my games such as bakeries. It would be great if some of the higher levels were made available as in the past. It really is frustrating having to keep doing the same things over and over and over and over again without ever reaching new levels or being able to use anything you have won towards buying coins etc. Please let us know when new levels are available. I, for one, am ready to play them. Thank you",
