There is a wide variety of classic games available. The main difference is the number of cards dealt by the dealer at the beginning of the game. There is also a set of rules that state that the dealer must reveal all of his cards. Basically, online casinos make changes as they wish and more often in their favor, but you can still play safely further because it does not affect the credibility and security of casinos. Additionally, there may be exceptions in the form of bonuses, for example, paying for three sevens or other combinations. Sometimes casino can apply not popular conditions for the player, such as limiting the number of cards you can get in your hand.
