While most of the superstitions are harmless, they're just that, superstitions. Games are programmed to pay over time, through millions of spins, based on a math model, not what's on the clock. So don't feel like you have to go to a casino at 3 a.m. to win. You'll be just as likely to win at 3 p.m. About the author Joshua

There are theories suggesting that indeed there is a best time to play casino slots. Some even go so far to point out a specific weekday. However, we established time and time again in this post that slot machines are based on RNG algorithms. Therefore, the day when you play does not affect your chances of winning.

Ever since Starburst was released in online casinos, this top slot machine has been enormously popular amongst all sorts of players. The ongoing popularity of one of today's famous slots may have to do with the fact that this NetEnt production is just very easy to play. There are only a few control buttons and the game doesn't have any complicated rules or extra features you will need to think about. At the same time you can still win very large amounts, despite the game being so straightforward. Moreover, Starburst is unique (at least it was unique when it was launched), as you can win in two ways (from both left to right and from right to left). That way you have a lot more options to make your winning combinations.

Your chances of winning a large jackpot or payout on your target slot games are always the same at any time of day. Taking into account other factors such as the casino crowd, promotions, and events can help you find the best time to play slot machines.

The idea reminds us of that scene in the terrible 2000 film The Flintstones in Viva Rock Vegas where the casino resort owner flips a switch, and Fred Flintstone starts losing everything he won playing slots.

Absolutely. Provided you play at a recommended online slots casino, and avoid any untrustworthy sites, your personal details and your money will stay perfectly safe online. We independently test and verify every online casino we recommend so selecting one from our list is a good place to start. In regulated markets like the US you should ensure your casino is licensed

Furthermore, public holidays will have an effect on opening hours. This again sounds like common sense, but it would be remiss of us to suggest certain times to visit while failing to point out that 2am on December 25th won't be a great time to visit your local casino. Of course, the best online casino sites are open every single day and around the clock, if you want to play at unconventional times.

For the true slot fanatics amongst us, online casinos have done their best to make sure their websites are fully powered in the new year and help you get the most out of your online gambling experience in 2021. Not only will any proper online casino help you play online versions of old-fashioned slot machines, but will it also make you choose out of slot games with bonus features, 3D productions, Megaways launches, Megacusters games and all sorts of crossovers between slot machines and other popular games like bingo or monopoly.

Doug is a passionate Slot fan and an expert in the gaming industry and has written extensively about online slot games and various other related information pertaining to online slots. In his spare time, he enjoys time with friends and family, reading, travelling, and of course, playing the slots.

With slots being accessible at online and land-based casinos pretty much 24/7, it's pretty natural for some players to wonder if people see more luck at certain times of the day. If you read some guides, they'll buy into this idea.

## **Best casino online offers**

This, of course, is simply the law of averages. There is no magical hour where the machines will pay out more. Therefore, the best time to go to casino slots depends entirely on the atmosphere you want – peak times will mean a bustling atmosphere, whereas you'll have greater choice and peace if you choose off-peak.

What is the best slot machine to play? Big Time Gaming may not have the largest portfolio of online slot machines available, but the games they launch all turn out to be very popular, especially amongst experienced punters. BGT's most played title is Bonanza, a high variance slot game with a game theme that takes you into the mines. Thanks to the unique setup of reels, you can earn up to 117,649 ways to win with every spin you make. Furthermore, there are a lot of wilds available and in the background there you'll hear equally hysterical and irresistible banjo music, either making you absolutely love it or hate it. In the bonus game you earn free spins with unlimited multipliers. The more winning combinations you make in this game, the higher the multiplier becomes. And the higher the multiplier, the more money you can win!

With the release of the Wolf Gold slot in 2017, Pragmatic Play has definitely earned itself some room amongst the big boys of the casino industry. This game has a rather South Western US theme, including buffalos, eagles and of course wolves. In the background you can see the outline of the famous Monument Valley and anyone who has ever been to this area will recognise it straight away. In Wolf Gold you can win two very nice bonus features: a jackpot game and an exciting free spins bonus with Mega symbols. To us Wolf Gold looks great, plays smoothly, and pays out well — making it the perfect mix for most slot players.

While getting to know the dealer doesn't actually improve your chances of winning, we have found from personal experience, that getting a chance to exchange some chat with the croupier leads to a better experience for you. So, head to the casino at a time where you can play in peace.

## **The best online casino software providers safe online casino**

Usually, the "experts" who believe in this idea will tell you that the best time to play slots is in the early hours of Sunday or Monday morning. Early hours meaning between 1 and 6 a.m. The idea is that the casino has seen a weekend rush, and games will have dealt out a lot of losing spins.

We'd like to take the opportunity to debunk this myth. Every slot machine pays out according to the software's RTP, and this does not change depending on time of day. Perhaps players think this is the case because when the casino is busy, it's likely that you'll witness several people winning at once.

## **The best online casino canada**

The fourth and third games of our top slot machine games list are Mega Fortune and Mega Fortune Dreams. The first version that was launched of this online slot is obviously Mega Fortune and thanks to the overwhelming popularity of this game amongst players, game developer NetEnt decided to release a sequel: Mega Fortune Dreams. We have listed the game right after each other, as both games are very similar, but also very popular amongst punters — making sure each of the launches deserves a spot in our top rated slot machines. In both Mega Fortune and Mega Fortune Dreams it's all about the three progressive jackpots both of them have to offer. The amounts of these jackpots can reach up to huge numbers, explaining why Mega Fortune and its successor have gained popularity at online casinos.

If you heard the best time to play slots is mid-week it could be true in the sense that it would not be as busy as during weekends. Due to casinos being several miles away from most players home, they might only visit the casino during weekends. So, if anyone can enjoy slots during the week they are bound to have a bigger choice in what to play and the casino would not be as busy. What are the benefits of playing slots during the week?

Apart from the avoiding the crowd over the weekends, the other main benefit of playing during the week is that you might be able to play more than one slot at a time. With the quieter time at casinos being mid-week you will never have to queue for some of the most popular slots and even getting refreshments are much easier. Should you need to go to the bathroom or just for a walk chance are that your favourite machine would still

be available if you are a mid-week player. Another benefit is that driving to the casino is also easier due to less traffic and you'll, probably, get better service from the casino hosts as they have fewer patrons to take care of. What are the benefits of playing slots during the week at online casinos? The benefits of playing slots during the week at online casinos are the convenience, you don't have to leave the comfort of your home, and if you are out and about you have access to all bonuses and games from wherever you are via mobile. There is actually not much difference at online casino whether you play during the week, on weekends or early hours of the morning. The advantages of playing slots online remain the same you never have to queue to play on progressive jackpots or any other popular slot and the 24/7 assistance remains simply outstanding no matter the time of day or night. There are an abundance of weekend bonuses available as well as tournaments, but at most online casinos there are special bonuses in place every day and tournament takes place every 15 minutes so there are no real benefits in playing only at a specific time or day, online casino always offer the best entertainment options and if you're a slot enthusiast thousands of entertainment options await. FAQ

With this in mind, we reckon that the ideal time to play table games at casinos is in the morning. If you avoid the crowds, you will get a chance to pick your favourite seat, settle in and have a chill gambling session.

## **Best slots to casino time play**

Online slots are entirely reliant on chance, but that doesn't mean there aren't things you can do to put yourself in a better position to win. Experienced players follow a distinct strategy, like only playing games with the highest payout percentages, practicing their bonus rounds, and knowing their paylines inside and out. Follow these guides to give yourself the best possible chance to win jackpots on slot machines online.

Though there's no cut and dry answer to the question of the best time to go to casino locations, we hope this guide has helped in some way. As a general rule, certain times of day tend to be the most rewarding and enjoyable for players, which we've summarized below.

## **What is the best us online casino**

Let us look at the brighter side: your odds of winning a large payout are the same no matter what time of day you are playing a game. You have the same chances of taking home a progressive slots fortune at 10:00 am and at 10:00 pm. This gives you more freedom on when is the best time to play slot machines.

The basic concept of spinning the reels to match up the symbols and win is the same with online slots as it is in land based casinos. The key difference playing slots online is that the variation of games will be wider, and you'll find that most online slots offer more reels and paylines, so your chances of netting a winning combination increases.

The best time of the week is when a casino is holding a reload promotion where you receive in-house credits based on the amount you deposited. These reload bonuses give you more spins on your favorite slots.

## **How to play casino craps**

Slots have specific bonuses called free spins, which allow you to play a few rounds without spending your own money. As a new player, online casinos often gift you free spins or a casino bonus as a way to welcome you to the site.

Yes, you can. While online casino slots are ultimately a game of chance, many players do frequently win decent sums and some lucky ones even score life-changing payouts. If you're in it for the big bucks, progressive jackpot slots will probably suit you best.

## **Casino slots play online**

The best time to play blackjack, roulette and other table games is pretty similar to that for slots. The only difference is that you are likely to have fewer seats available at table games than you will with slots.

All slot machines use a random number generator (RNG), so there's no set best time to play online slots. The algorithms in the RNG ensure that the results of every slot game are fair and not rigged. Every spin is a clean slate, even if you find yourself on a losing streak.

While you will find some 24-hour casinos that offer table games at all times, many will have specific opening hours for their tables. As a result, choosing the best time to play will often mean that you are beholden to the stated opening hours.

Very few people want to be around the gambling floor while it is full of casino patrons. Not only is there little space to move around without having anyone get into your personal space, but you are also less likely to play your favorite slots. Crowds tend to occupy the most popular slots on the floor, such as progressive jackpots, skill-based mini-games, interesting win clips, and high RTP games.
