Hot Ink online slot from Microgaming has been doing the rounds for almost five years at the online casinos now, but this great-looking slot is still holding its own at the online casinos. A big reason for that is the combination of an RTP of 97.50% and a bunch of lucrative features such as free spins, mini-games, and a respin feature.

There are no bonus features of note, and the graphics are pretty basic because it is a classic slot. Still, that combination of supreme RTP and that random jackpot is a surefire winner among players that like to play very simple slots at the online casinos. You can get spinning for as little or as much as \$/£1 and \$/£10, respectively!
