Pulsz Casino: Earn 5,000 free gold coins on sign-up and a 200% match bonus on your first purchase when you enter the Pulsz promo code. Aside from the ability to play for free and win cash prizes, Pulsz is nothing like Chumba. It provides 250+ casino games and free slots, heavily invested in Megaways, Hold and Spin, and jackpot slot games.

Sites like ignition casino

Chumba Casino was launched in 2012 by Virtual Gaming World Malta Limited (VGW) and operates under a license from the Malta Gaming Authority (MGA), like traditional online casinos.

Chumba Casino is a player favorite when it comes to social casino options. Players at Chumba Casino enjoy a variety of slots, as well as video poker, blackjack, and roulette.

Other games like chumba casino

All sweepstakes sites like Chumba Casino are free to play. Sweepstakes and social casino sites like Funzpoints, LuckyLand Slots, Global Poker, and B Spot are accessible for free. In-app purchases are available in most, but they are optional.

Yes. Texas is one of 48 US states that allow promotional sweepstakes casinos to operate legally.

Free Online Casinos – all social sites are free to play, but some are more free. A generous sign up offer, daily login bonuses, social media contests, and other promotions must be present to offer additional play time to players. Funzpoints lacks in this area since most of its games are restricted to premium members.

Online casinos like chumba casino

A sweepstakes casino games offers two types of gaming: the Gold Coins and Sweepstakes Coins. Every Slot machine you play can have both types of coins. When the player play with Sweepstakes Coins, the winnings can be exchanged for cash prizes.

Chumba Casino, the most popular US-facing social casino platform, offers 90 different slot variants. The menu includes progressive jackpot slots, with grand prizes that can be redeemed for seven-figure cash prizes.

Online casino like luckyland slots

Casino gamers can find just about all of their favorite games on sweepstakes sites like Pulsz Casino. With many different slot variants, table games, and video poker available, the experience of playing at a sweepstakes casino is a lot like playing on another type of online betting platform.

Players must provide a valid bank statement with account details for the bank account they wish to use for redemptions. The bank statement must include a current address and be issued no more than three months before the date of verification.

Casinos like chumba

All social casinos like Funzpoints share the same gameplay mode and are legal in all US states. The sister casinos are selected due to their similar offers and games to the Funzpoints social gaming platform since the company behind Funzpoints hasn't actually launched any other platform – aka sister sites.

18 years old. The minimum legal age to play at US-facing sweepstakes and social casinos is 18. This age applies no matter where a player is located.

In fact, it's possible not to spend anything at all if you happen to find one that doesn't require any deposit. Simply signing up already gives you a no-deposit bonus.

Online casinos like golden nugget

With Gold Coins package purchases, small amounts of "Sweepstakes Coins" are awarded as a bonus. Players use these SC to play in the Sweepstakes Coins games and earn cash prizes.

Funzpoints Casino does not actually provide a mobile app for download. The site is indeed optimized for mobile devices so that players can access the games through smart devices. Pulsz, Chumba Casino, and Gambino Slots are superior to Funzpoints in mobile play, with dedicated apps available to install on your phone or tablet.

Pulsz Casino: Earn 5,000 free gold coins on sign-up and a 200% match bonus on your first purchase when you enter the Pulsz promo code. Aside from the ability to play for free and win cash prizes, Pulsz is nothing like Chumba. It provides 250+ casino games and free slots, heavily invested in Megaways, Hold and Spin, and jackpot slot games. Tap to claim the bonus!

Upon signing up at LuckyLand Slots, new players get an SC 10 balance for play on the site's Sweeps Coins Games.

Social casinos similar to Chumba Casino are free casino sites that provide a variety of casino games; online slots, blackjack, roulette, poker, live dealer games, horse racing, jackpots, etc. Instead of real money, players bet using a virtual currency; sweeps coins and gold coins are the two available at Chumba and its sister casinos. The best part of these online casinos is the ability to play for free or for real money. For the latter option, players deposit real money to buy the virtual currency, which can then be used to play games and redeemed for cash prizes. This feature is exclusive to similar casinos to Chumba, which explains their popularity.

BetRivers.net: Operating by Rush Street Interactive, BetRivers Social casino provides the same gaming options as its real money online casino. Play 300+ free slots and online casino games from NetEnt, Microgaming, IGT, ReelPlay, Everi, and more software providers. Free sports betting is another available section at this site, and the live dealer games provided could be the doom of classic sweepstakes casinos like Chumba. Click to get started!

Global Poker is the number one promotional sweepstakes site for playing poker for cash prizes. It's the largest promotional sweepstakes poker site in the United States, and it's just as competitive as all the rest. Global Poker gives US gamers a legitimate online poker experience while playing for cash rewards, with games running around the clock.

LuckyLand Slots operates in a similar way to Chumba Casino. Players sign up in just a couple of easy steps, either by creating a new account or signing up through Facebook.

Casino games like blackjack

Playing with sweeps coins doesn't mean fewer gaming options. When you consider that sites like PointsBet, DraftKings, and FanDuel Casino provide an average of 300 real money casino games, sweepstakes casinos are up there competing with them.

The games at social casinos include play-money games and sweepstakes games. For the play-money games, players purchase packages of "Gold Coins" to use as currency for those games.

Other sites like chumba casino

Online casino games were always restricted for US players until PASPA was overturned in 2018. Since then, selected US states have started introducing real money online casinos. However, sites like Funzpoints are accessible by every player, no matter their US location except in Washington state.

RTP at Social Casinos offers incredible percentages as high as 97% on certain games. All slots at Social and Sweepstakes Casinos use a Random Number Generator (RNG) to ensure that every spin is generating random results. These RNGs are often confirmed by an independent source to ensure transparency. For example, Chumba Casino uses iTech Labs, a certified third-party quality assurance tester who works with the world's best-known brands.

LuckyLand Slots – a Funzpoints sister casino offering 40+ free online slots, LuckyLand Slots also runs on gold coins and sweeps coins. Players who enter LuckyLand Slots for the first time win 7,777 gold coins, and 10 bonus sweeps coins to try out classic slot games and progressive jackpot games for free.

Online casino like bovada

Sweepstakes casino and social casino sites always present ways to play the casino-style games without the requirement to make a purchase with money. Platforms like Pulsz Casino are required to offer free Sweepstakes Coins through various promotions to legally operate in the US.

Sign up using our special link and get \$20 worth of Gold Coins free, which includes 20 Sweeps Coins. And if you decide to make a purchase, you also get a \$40 package for \$20 – 200,000 Gold Coins + 40 Sweeps Coins.

Online casino česká republika

Players looking for video poker at Chumba Casino will find one of the most popular versions of the game on the menu. Jacks or Better plays like a virtual, single-player five-card draw game, with the Royal Flush offering the ultimate redemption.

Sweepstakes Casino is 100% legit. You can be assured that the casino has been run through many quality assurance processes to determine its validity, reliability, and legitimacy.

With bonus Sweeps Coins offers in place, players win cash prizes at Chumba Casino without ever purchasing a Gold Coins package.
