This casino is okay but certainly not my favorite online gambling app. Other apps have many many more games to choose from including Progressive Jackpot games and they offer better promos. Daily chance to casino games fanduel win bonus \$ or free spins. I understand Fanduel is a Sportsbook mainly but other apps like mgm offer better sports promos too and also award loyalty points for playing that can be used to buy free play. I play a lot and think there should be some type of rewards program for loyal players to earn bonuses..in the last 10 days my account says

I've wagered over \$12,000 that should count towards something. .has some connection problems at times but not the worst casino app I've played. Just needs better promos more games and a loyalty program. Have NO complaints about winning/losing or fairness of the games chances are the same everywhere..games aren't rigged. I've won and lost on EVERY app I play including this one. I just wanted to include that because I hate reading reviews of people just complaining because they lost and saying games are rigged □□□

FanDuel Online Casino also runs a different promo each week, aptly called Game of the Week. The title changes each week and is generally for one of the more popular slot titles. When playing slots in FanDuel online casino, it would be best to apply a strategy. It surely won't help you win all your spins, but fanduel games casino it will keep your bankroll in check.

The app for Fanduel casino states that it has a black jack live and a blackjack classic which they do not have they have minimal slot games which I've played every one of them and the only two interesting games are there I recommend the gorilla game and the butterfly game and the one blackjack game because there's only one not two they need to put more slots on here I see that they have the Holden one there now which is a good thing but they definitely need to add more slots on this app because it gets boring playing the same slot machine all the time and the rest of them are for a little kids it seems like but besides that everything else is great the payouts are fine the sports betting is awesome that's about it and if you also try to contact them you have to go through a whole bunch of crap it's not even worth trying to contact them there's no direct line to get them They should make things easier for you to contact them so break it all down there's only one blackjack game and they have the new hold them casino games fanduel game on their minimal slot machines payouts are great contacting customers summer support is terrible and everything else seems to be fine so I'm very happy with the site besides a couple things

If you're a fan of sports betting and casinos, you won't find many sites that do it better than FanDuel. The online casino allows players to find the best odds across various sports and play casino games right from their mobile.
