GoldBet is a bookmaker from Italy. The company is focused on the local market segment, operates under an Italian license, and offers its clients a wide range of services, including betting on sports, casino, poker, bingo, and virtual games. The main clients of Goldbet are residents of Central Europe, where, in particular, players from Austria and Italy are more prevalent. The interface of the GoldBet website is supported only in Italian, due to the focus of the company. In general, the navigation is intuitive. The structure resembles many sites of other online bookies.

With the latest technology and very high odds, GoldBet is one of the leading online bookmakers in Europe in terms of active players and the betting opportunities offered. GoldBet Casino impresses with a line of software including NetEnt, Amaya, Bet Soft, Evolution Gaming, and Media Live.

The Goldbet company started its work in the betting market in 2000, trying to expand to the entire European gambling market. But they never succeeded in achieving high popularity and a huge client base. Considering that the founders of this bookmaker are a group of Austrian programmers, whose brains are able to work quickly and make the right decisions, it was decided to direct all their efforts to one European country. She became Italy, where betting on sports was not developed in the best way.

At GoldBet Casino you can find different games from new software providers – many types of table games, video poker, scratch cards, and much more. Some games of this online casino have huge jackpots that allow users to win large sums. According to Goldbet casino review, you may find online casino games, Goldbet casino bonuses, live scores, nextgen gaming, treasure tomb, and a lot of new games here. There are also some deposit bonuses for casino hold'em at your casino account.

Another distinguishing feature of Goldbet is betting on sports. Sometimes they are footballers from opposing teams, and in some cases – from the same team, or even players from different matches. Therefore, it can be noted that, against the background of other bookmakers, football in the Goldbet line is very worthy.

We examined the main sections of the site and can conclude that this bookmaker is the average one on the betting market. Among the advantages of the company are a good selection of football competitions, a wide action line for popular events, and an intuitive interface of the site. The disadvantages of the bookmaker include average odds, weak action lines for minor events, and limiting the maximums for successful players.

Live bets on the Goldbet website are located in a separate section, which has a standard arrangement of elements. So, sports and matches can be found on the left, in the center is the entire action line for the selected event, and the bet slip can be found in the upper right corner of the page. For many matches, a modern infographic is available on the site with the calculation of basic statistics.

The sports betting section is familiar to experienced users. On the left, there are lines in a column, on the right you can find a betting coupon, and in

the center are the best offers of the bookmaker right now.

Unlike many other bookmakers, entertainment events are not widely represented in the GoldBet line, but players here can place bets on the “X Factor” show and the Oscars. You can find these events in the “Entertainment” item at the very end of the list of sports on the main page of the site.
