The best live dealer casinos in Canada bring a one-of-a-kind experience with live table games hosted by professional croupiers in real-time.

But not all of them are created equal — so to save you from laggy streams and unreliable software, we researched numerous Canadian live casinos until we found ones worthy of your bets.

We've based our ranking decisions on benchmarks such as stream quality, number of live casino games, bonuses, and overall reliability and reputation of the casino.

Casino online gsc11

Jackpot City was our #1 overall pick, but our list of honorable mentions will appeal to a much wider audience of Canadian players.

While it's a close call, Jackpot City is the best live dealer casino Canada has to offer. They list a leading variety of live tables, slot machines, generous bonuses, and top-quality streaming software that doesn't lag or freeze at any point.

Casino online gsc11

It's clear that Jackpot City prioritizes quality over quantity, as they jam-pack an unmatched versatility into 486 online casino games. Slot enthusiasts can spin through 380+ classic reels and 16 progressive jackpots with seven-figure payout potential.

Live casino players will call the shots with 53 live dealer variants of blackjack, baccarat, and roulette. You can spend as little as \$10 per game, but high rollers are more than welcome to place high-stakes bets of up to \$5,000 across their favorite baccarat tables (2,500 is the maximum for blackjack and roulette).

If you need a change of pace, Dream Catcher puts you in the hot seat. Jackpot City appeals to casino traditionalists, table grinders, and specialty gamers.

Jackpot City will double your first four deposits up to \$400 each. Big spenders looking to go all the way can redeem a maximum of \$1,600 in casino bonus cash. Thankfully, you can use your bonus funds to play live games — but remember that the game contribution is way lower.

Online casino gsc11

That said, you'll be better off playing online slots at Jackpot City while your bonus is active.

Jackpot City accepts a wide variety of e-wallets and bank card payments. Canadian players can fund their accounts using Interac, iDebit, Paysafecard, MuchBetter, ecoPayz, Neosurf, and more. You'll need to deposit \$10 or more to trigger Jackpot City's bonus.

Once you've accrued at least \$50 in earnings, you can request a payout. All transactions are 100% fee-free, so you'll get to keep everything you win. While most traditional fiat withdrawals take 3-7 days for processing and delivery, iDebit payouts are delivered within 1-2 working days.

To enjoy the fastest transactions possible, we'd suggest using an e-wallet to play here.

Casino online gsc11

As it stands, Jackpot City offers 24/7 live chat support. If they implemented a phone line or email support, we'd give them perfect marks in this department. Even though they're starting from a disadvantage, they stop at nothing to offer timely and helpful service for all players.

We received a live chat response in seconds. You won't have to wait around for assistance when you need it most.

If you're hunting for a capable mobile casino, Jackpot City fits the bill.

PlayOJO's live mobile casino offers a premium gaming experience for busy Canadian bettors — especially recreational low-stakes players.

Casino online gsc11

PlayOJO's gaming library is rife with high-quality slots, virtual tables, and live games.

You'll get lost in a sea of 1,880+ classic reels, and big-fish hunters can go wild across hundreds of progressive jackpots. Right now, the luckiest Canadian has the chance to win a stunning \$1.8 million jackpot.

Casino gsc11 online

Moving onto their dedicated live casino, we found 52 mobile-friendly variants of blackjack, poker, baccarat, and roulette. Betting minimums start from just \$1, but that doesn't mean you won't find high-stakes tables for some serious action.

Finally, live casino game shows like Spin to Win, Sweet Bonanza: Candy Land, and Cash or Crash Live present a break from the ordinary.

Gsc11 casino online

After you deposit \$10 or more, you'll receive 80 free spins to use on Thor: The Trials of Asgard. While your spins are only valued at \$0.10 each, here's the kicker — there are no wagering requirements attached to your earnings. Whatever you win is yours to withdraw immediately.

As an added "bonus," you'll get a single free spin to use on PlayOJO's Prize Twister. Players can win anything from bingo tickets and scratch cards to \$25,000 in cash. That's all great and generous, but PlayOJO's welcome offer, unfortunately, doesn't apply to live games.

Casino gsc11 online

You can fund your account using Interac, ecoPayz, MuchBetter, PaySafeCard, Astropay, Jeton, MasterCard, and Visa. Needless to say, PlayOJO's banking menu spans far and wide to accommodate every Canadian player's preferences.

Once you deposit at least \$10, you'll automatically qualify for their welcome offer. PlayOJO's withdrawal minimums are similarly accessible, allowing you to cash out as little as \$20 per transaction.

Online gsc11 casino

If you use one of their many compatible e-wallets, you'll receive your winnings in 1-2 working days. Comparatively, traditional fiat payouts take 3-5 days for processing and delivery.

Unlike many live casinos in Canada, PlayOJO lists 24/7 support via phone, email, and instant chat. It's nice to see an online live casino Canada site implement a phone line, but it's a rarity to witness near-instant queue times. We spoke to a real person over the phone in less than 3 minutes.

Online gsc11 casino

Their live chat feature promises immediate assistance for urgent questions and concerns, so you can't go wrong here.

We can't say enough about PlayOJO's mobile apps for iOS and Android. Each downloadable app offers full compatibility across PlayOJO's entire gaming library, so you can indulge in your favourite pastime from anywhere you get cellular service.

Online gsc11 casino

Games load instantly, and their full selection of live dealer tables are cut down to size for your continued enjoyment.

High rollers should check out Spin Casino's selection of VIP games, with bets for certain tables reaching as high as \$5,000 per hand.

Gsc11 casino online

Spin Casino is home to 480 casino games. Slot enthusiasts will have the most fun here since 378 classic reels and a handful of progressive jackpots comprise the bulk of their library. In between spins, you'll have 55 virtual tables and 47 live dealer games to keep you occupied.

High rollers can squeeze more from each wager. Spin Casino allows its players to bet a maximum of \$5,000 per game, bringing a new level of thrill and excitement to your fingertips. It's easy to see why Spin Casino is so popular amongst gamblers not afraid to go big!

Gsc11 casino online

Spin Casino will double your first deposit up to \$400. You'll also receive 100 free spins to use on the famed Wheel of Wishes progressive. In other words, new sign-ups get 100 chances to take a stab at the \$2.8 million jackpot prize.

If you're looking for more where that came from, Spin Casino will double your next two deposits up to \$300 each. It's hard to find more lucrative bonuses elsewhere.

Gsc11 casino online

Be warned, though — your bonus spins come with pretty high wagering requirements. However, we honestly expected nothing less since you're getting a chance to play for a big jackpot.

Spin Casino and Jackpot City share the same comprehensive banking menu. Players can fund their accounts using credit cards, Interac, iDebit, Electronic Check, Paysafecard, MuchBetter, Flexepin, and more. All in all, they offer plenty of options for Canadian players.

Gsc11 online casino

You'll need to cough up at least \$20 to activate their leading welcome bonus, but you can also get started with \$10 if you don't care about claiming bonuses. Once you've decided to cash out your earnings, you'll receive e-wallet payouts in less than 24 hours.

Of course, you will need to be a fully-verified user before you can process withdrawals — which might take a few days to complete. That's mandatory at each secure Canadian live casino.

Online casino gsc11

Players looking to get in touch will be forced to use Spin Casino's 24/7 live chat system. They don't offer phone or email support, which we hope to see them fix in the future.

In spite of their inherent disadvantage here, they exceed industry standards with lightning-fast responses. After sending out our "test questions", we received immediate, detailed feedback from a very helpful agent named Jessica.

Europa's live casino bonus gets new sign-ups started on the right foot. You can explore their casino, buffer your bets, and stretch the entertainment for hours with some extra bonus funds.

Europa spoils their players for choice with 1,787 online casino games. While classic slots and high-limit progressives make up the vast majority of their betting library, we found hundreds of virtual tables and live dealer casino games to choose from.

Europa's live casino welcome bonus is a sight for sore eyes. They'll credit your first deposit with a 200% match up to \$500, effectively tripling the cash balance in your casino wallet. On top of this, you'll receive 100 free spins to use across a variety of Europa's non-jackpot slot machines.

You'll have to meet 30x wagering requirements, and you can play live roulette and blackjack with your casino cash. While most online casinos eliminate live games from their bonuses entirely, low-coverage bets at Europa Casino contribute 50% of each wager towards helping you cash out.

Online gsc11 casino

Europa is an international casino, and they accept countless payment options from players across the globe. Canadian gamblers can use their debit cards, AstroPay, ecoPayz, iDebit, Interac, MuchBetter, NeoSurf, and Paysafecard to play here.

While you can start playing games with just \$10, you'll have to deposit at least \$20 before claiming Europa's live casino bonus. You can withdraw as little as \$20 per transaction, but the luckiest players here can cash out a maximum of \$20,000 per month.

Players can get in touch with a representative from 06:00 AM to midnight GMT, 7 days a week. You'll have the option to get in touch via email, phone, and live chat. However, keep in mind that live chat will only become available when you're a registered user.

Bitstarz is one of the first Canadian crypto casinos, operating since 2014. Fast forward a few years, and they still retain their superiority over the competition. When you gamble here, the possibilities are endless!

Online casino gsc11

We were greeted by upwards of 4,000 crypto casino games at Bitstarz. They're adding more titles to their jam-packed library every month, so the possibilities here are virtually endless. Crypto slots and progressive jackpots are the main attractions for most players.

Diving a bit deeper, Bitstarz's live casino mixes cutting-edge technology with creative innovation. They carry 150+ variants of blackjack, baccarat, and roulette alongside exclusive game shows.

Gsc11 online casino

Monopoly Live, Crazy Time, Dream Catcher, and Mega Ball put Canadian gamblers in the hot seat. Betting minimums start from \$0.20, so there's room for every player's budget at Bitstarz.

Before you do anything else, verify your email address with Bitstarz. For your trouble, you'll get 20 no-deposit free spins. Then, make your first crypto deposit. Bitstarz will credit your initial transaction with a 125% match worth up to 1 BTC.

Online gsc11 casino

180 bonus spins are merely the cherry on top of this ice cream sundae. Your spins are delivered in batches of 20 over your first 9 days of playing casino games with Bitstarz.

You'll have to satisfy reasonable 40x wagering requirements before cashing out your earnings. However, this bonus does not cover live dealer games.

Casino gsc11 online

Bitstarz is primarily a crypto casino, but they accept bank card deposits. In our expert opinion, you should use BTC, Litecoin, Ethereum, Bitcoin Cash, or DOGE to play here. You can deposit just 0.0002 BTC to get started, but their bonus requires initial funding in excess of 0.001 BTC.

As we'd expect from a top-tier Canadian live dealer casino — all payouts are fee-free and near-instant. Players who opt for crypto payouts receive their earnings within 5-10 minutes.

Gsc11 casino online

Unfortunately, Bitstarz doesn't have a phone line for Canadian players to call.

Instead, they offer dedicated social media support. They maintain a strong presence on Facebook, Instagram, and Twitter. You can tag them in your latest post or send them a DM for personalized assistance.

Alternatively, their 24/7 live chat feature has accrued 2,000+ positive customer reviews. You'll enjoy immediate feedback from knowledgeable agents.

For a crypto casino with 4,000+ games, expecting each to work on mobile is a tall order. It's good enough that Bitstarz's live casino titles are compatible with your smartphone. You'll have free reign over 150+ variants of blackjack, baccarat and roulette from anywhere you go.

Online casino gsc11

That said, a few hundred of their crypto-exclusive slots and specialty titles aren't sized appropriately for smaller screens.

The best live casinos online in Canada rival brick-and-mortar gambling halls. You'll have hundreds of live dealer games at your fingertips, including numerous roulette and blackjack variants, baccarat, game shows, dice games, and more.
