The Grand Theft Auto series is known for its extreme violence, slapstick humor, drug use, and even at some points, torture. The game is heavily criticized by mainstream media for being too violent to be in public. Although, as time has gone on and more video games have acquired their mature rating, the Grand Theft Auto series is one that stands firm. The game continues to sell ridiculously well on every platform it is a part of even though the game is over 7 years old. Currently, the game is completely free on the Epic Store shop for players to download. New updates come along to GTA Online, providing new content for its players with each new patch. One of the biggest patches brought along the Diamond Casino and this guide will help players learn how to gamble when inside.

First, how many chips you can purchase at a time depends on whether or not you are a VIP penthouse owner. If you aren't an owner at the casino you can only purchase 20,000 chips from the cashier. 1 chip = 1 dollar that you have in GTA cash. You will only be able to exchange chips up to 20,000 every in-game day. If you're a VIP you can increase the number of chips you can get at once. This is 50,000 chips per in-game day, but you'll still need to wait chip gtav casino online wait if you need to exchange more within the 1-day window.
