Upon first glances, it may strike you as odd that Cosmik, EuroMoon, Atlantic Casino Club, Osiris, and Deuce Club casinos have all been added to our blacklist, as they all appear to be legitimate casinos offering big-name games from some of the world's top developers. Unfortunately, an investigation by our sister site Latest Casino Bonuses revealed that the group is using pirated Net Ent games, which victimizes not only players, club index play malibu casino but the company who spent time and resources creating the games as well.

Whilst you will not find a huge number of Malibu Club Casino sister sites, the few that are live and open for business come highly recommended and offer all real money players a large play index malibu club casino suite of casino games many of which come with mega sized jackpots.

This group of casinos is blacklisted for slow-paying and not paying players at all. I defer to the Casinomeister for the details. One of the many affected players is a good friend of mine, who has been owed money by three of these casinos for years. Virtual casinos are: Dream casino malibu play index club Casino (formally Cirrus), Prism Casino, Cool Cat Casino, Palace of Chance, Club Player, Vip Lounge, Bet Royal Casino, and SlotsofVegas.com.

I played at Cleopatra's Casino when they had a \$100 bonus for \$100 deposit promotion. I ran my balance up to \$300 and cashed out. The \$200 in bonus/winnings arrived 20 days later by Fed Ex, with an apology for taking so long. As usual with Real Time Gaming casinos everything went very smoothly and the bonus was paid quickly and without fuss. However, I got a complaint from a player in July 2001 saying he responded to a Cleopatra promotion through this site. The player in question claims they refused payment of winnings and ignored all his inquiries. I put in an inquiry myself about the situation, which they never responded to. Failure to respond to my inquiry is just cause for me to remove my endorsement. This casino is part of the "Vegas Strip" family of casinos, a group I have been hearing a lot of complaints about. The GameMaster reports they have refused to pay winnings to players just for living in Denmark (a index club play malibu casino country known for Internet casino fraud). Other

Vegas Strip casinos include America's Online Casino, Cleopatra's Casino, Club Regal Casino, eWorld Casino, and Club Mardi Gras Casino. Last date played: May 9, 2001. (Real Time Gaming software)

Atlantic Casino Club has been unceremoniously blacklisted by our site for offering pirated games from Net Ent. We ended up discovering this by checking the server that the games were coming from, and determining that the software was bogus and coming from a source outside of Net Ent. This is of grave concern, as it means that the games are potentially rigged, and that the casino is intentionally stealing from the developer. This is not the first instance of Atlantic Casino Club stealing either, as our sister site LCB notified them that they were using pirated Novomatic play malibu index club casino games last year. Because of this, we feel that it is very risky for you to play at this casino and recommend you play elsewhere.

Playing any casino game for any stake you feel comfortable with is of course important, and with that in mind be aware that all games offered by malibu play index club casino each of the approved casino sites that are similar to Malibu Club Casino have fully configurable staking options.

For the advertising based ADR service the risks of loss are of a different nature. Where an operator client casino malibu play index club was unhappy with one of our rulings and opted to transfer to an alternative ADR service the review status of the operator with this service would be reconsidered, resulting in their rating dropping and us sending significantly diminished or no further traffic to them. This would mean that we would see reduced income with this operator from this point on. However, every operator that was rated below would then step up a place, meaning that rather than losing out on revenue we would simply earn it with a different group.

After getting some anecdotal evidence that Netgaming.com was cheating in free play mode I gave them a try. In their single zero roulette game, I placed 200 bets on red. My results were 133 wins and 67 losses. The probability of 133 or more wins in 200 spins is 1 in 3,788,515. So obviously they were letting me win. I blame the software for this and thus add all Elka/Oyster Gaming casinos to my blacklist. Besides this reason, they casino index club malibu play have had a terrible reputation in the industry for years. Furthermore one of their clients, NetGaming, sold me out to pornography spammers. I used to maintain a list of Elka/Oyster casinos here but checking a random sampling of about ten 100% had vanished. So I believe this group to be fortunately defunct.

Casino Grand Bay comes onto the blacklist with a reputation for malibu play club casino index not paying players the money that they rightfully won from the site. This was not always the case though, as the site at one point offered Microgaming software and had a solid history of treating players well. This changed once Microgaming shut down their US operations, as the casino was forced to adapt to inferior software. For some reason, this began a downward spiral for Casino Grand Bay, as they began stiffing players and providing bad customer support.
