NetEnt was launched in Sweden in 1996 and was one of the first innovators in the online casino software market. While the company was a well-known brand in the 2000s, it really hit its stride after the release of its flagship game Gonzo's Quest in 2010. Since then, NetEnt has continued to release high-quality slots and table games, and launched its live casino in 2016 to great fanfare. Recent awards include the Mobile Supplier of the Year at the EGR Italy 2020 Awards and Mobile Product of the Year at the 2019 International Gaming Awards.

If you don't want to sign up for a casino before you try games, you're in luck. You can also find demos within slot reviews such as those we have provided above. This is the perfect opportunity to learn the rules and features, as well as play around with different betting options.

One of the players was lucky enough to win 17 million euros playing the Mega Fortune slot.

The company offers a wide range of gaming solutions. One may find pooled jackpots, branded games, table, arcade games, roulette 4 fun, live casino games and back-office platforms. Best NetEnt slots machines include:

NetEnt online casino games differ from other providers. For instance, some slots offer to land winning combinations in both ways, unlike traditional games where a combination is formed from the left to the right. Then, some slots offer free spins and bonus rounds. All the rest remain classic – Wilds, Scatters, and special symbols like Lucky 7, Gold Bars, etc.

If you've ever had an interest in progressive jackpot online slots, then Mega Fortune from NetEnt is one of the best. It pretty much tells you what you can do with your huge jackpot winnings – the reels feature symbols of luxury yachts, limousines, high-quality whisky, wads of cash, jewellery, and so on. Another low variance game, it has three jackpot totals above the five reels for you to try and get your hands on. The base gameplay is also highly entertaining, with scatters and wilds showing up throughout. There is also a free spins game for you to trigger and play through, with multipliers involved. Also, Mega Fortune has paid out some of the largest jackpots ever!

If you encounter a problem with any demo slot on this page please contact us.

It is a 5-reel slot with 254 ways to win. It is a classic slot featuring 9, 10, J, Q, K, and A, cherries, bar, and 7 symbols. Compared to other 5-reel slots, Twin Spin does not have any bonus games or free spins NetEnt. Yet, with the autoplay, one may spin between 10-1000 turns. Beyond that, a player may come across Wilds, and Twin Reels.

A game about seeking out lost lands with Spanish conquistadors is always going to be an entertaining one. And Gonzo's Quest from NetEnt proves that theory perfectly. Also released in 2013, it served as one of the earlier games to incorporate the avalanche function and cascading reels.

With every avalanche in this one, a multiplier increases up to 5x. And this increases to a maximum of 15x during free falls (free spins). Gonzo's Quest also benefits from a wild symbol as well, and Gonzo himself watches on from the left-hand side as you play. It's a medium to high volatility slot, and you can win up to 3,750x your stake when playing it.

NetEnt is an excellent representative on the gambling market that can boast its design, and visuals with hardly every slot. Thanks to cooperation with many big fishes in the TV industry, and major video game producers, animation, and 3D are top-notch. The slots also feature great music themes. All in all, there are no mediocre cartoony characters but advanced technology to make all gameplay realistic.

In the proceeding years, NetEnt continued releasing exciting, high-quality slots and other casino games. Then, in 2011, it took advantage of the mobile gaming boom, launching its own Touch collection. This allowed touch screen phones to load up the developer's game range. Live casino software came in 2013, representing yet another level of growth for NetEnt.

The work of the company is 100% legal as it is licensed and regulated by the British Gambling Commission and the MGA. The company supports and collaborates with BeGambleAware, an organization that supervises gambling addiction, and builds strategies to prevent negative outcomes when it comes to online games. NetEnt online casino list is available only with fair slots.

It is a 5-reel slot featuring a renowned fighting video game and its characters. A player may land scatters, wilds, free spins. For instance, the Old Saloon feature allows multiplying all wins by 2, while Sticky Wild symbols help get 5 free spins. As for the High Noon feature, it also allows activating 2x Multiplier. As per NetEnt, free spins may bring a player a win of up to 100,000 times the bet.

The world of online gaming wouldn't be the same without the NetEnt brand. As one of the originals in the industry, it has built itself up over the years and remains one of the monolithic developers still operating today. It has been labelled as one of the pioneers, and it has existed for over 20 years already. The dedication to quality shines through in every release from this developer. Amazing graphics, themes and special features are always on display, so you're in the right place to find out more about NetEnt. Take a look at more from this exciting developer and play NetEnt slots for free on your desktop, tablet, and mobile devices.

NetEnt slot machines have impeccable modern graphics and profitable bonuses. The theoretical percentage of return is from 95 to 98%. Most slots have themed bonus rounds on a new screen. The structure of games, as a rule, includes either 3 or 5 reels. Some slots use the avalanche multiplication technology. For example, Gonzo's Quest and its continuation Gonzo's Quest Extreme. Most of the slots have a cumulative prize pool, which can be won thanks to the technology of Pooled Jackpots. Progressive jackpots are paid not by the casino, but by the developer.

If you know anything about NetEnt, then it will likely come as no surprise that Starburst is noted here. Released back in 2013, the game received a huge amount of praise upon being launched, providing 10 win-both-ways paylines for players to enjoy. The theme running through the slot transports you into space, and there is a fantastic soundtrack playing in the background as you spin the five reels. Starburst also includes wild stacks, which can show up on the central three reels only and will substitute for other symbols. It's a game that comes with a 96.09% return to player rate, and it offers a low variance option to play.

Once you sign up to one of our top casinos, you will be able to play free NetEnt slots demos before you invest real money. This means that you will never have to risk your cash on a game that you don't like or don't understand. We always recommend that you try before you spin the reels for money.
