Finally, last but not least, we have Spin Casino. This is a website from 2001, and it has been servicing Canadian gamblers for over 20 years now. Another very elegant casino that has a user-friendly website, Spin Casino is rich with various features and elements that make finding any game very quick and very simple. You can play via mobile or desktop, whichever you prefer, and the available games are being provided by NetEnt and Microgaming. That, of course, includes Keno games, which have been quite popular on the platform, since they are like lotto but with instant results.

If you are at all concerned that because Platinum Play is not brand new that the casino games and software are no longer current, you can put those worries to rest. One of the reasons that Microgaming is considered to be a leader is that it is dedicated to keeping its gaming software current and up to date. Platinum Play makes full use of the very latest play-enhancing features, keeping it on a par with those online casinos that are offer the latest software and games. But unlike the new casinos, Platinum Play brings you the advantage of a decade of online experience.

You may be someone who has always played double zero or American roulette. At Platinum Play, you may still enjoy that game, but you can also play single zero roulette games, which have half the house edge. These include French and European roulette. Likewise, Platinum Play offers multiple ways of playing blackjack. However, if you decide to play any variation of the game other than the standard to which you are accustomed, take the time to learn the rules and basic strategy changes beforehand. This is especially important in blackjack to increase your chance of winning.

Funding your account with any of the 16 accepted banking methods is easy, too. Probably the toughest thing for any player to do at Platinum Play is to decide which of the hundreds of great casino games they're first going to try. There are more than 600 games. That's correct there are 600+ games. You can play a different game every day of the year and you would still barely scratch the surface of what Platinum Play has to offer. Being bored is not an option at this casino!

Lastly, for a special treat, take your Platinum Play to a whole new level and experience online gambling like never before playing blackjack, roulette, or baccarat with a live dealer. With live dealer games you may carry on a conversation with the croupier and other players while engaging in a game that includes the dealing of actual cards onto a real gaming table or the excitement generated by the spinning of a roulette wheel and movement of the game's silver ball. While you are playing online, you can have an experience that's very close to the real thing. And at Platinum Play, if you wish, your live dealer can even be a Playboy Bunny!

At Platinum Play Casino, you can find some of the best games. This is a trusted casino that has been on the market for many years and they managed to stay strong in this competitive environment. They offer some very generous bonuses and promotions that will allow you to explore even more games than usual.

Our current selection of casual games online includes bingo, keno and scratchcards. What makes these different to traditional casino games, such as blackjack and poker, is the many instant-win opportunities without the fuss. For example, the easy-to-follow instructions for each game were created with both novice and seasoned players in mind, and eliminate the need for complicated paytables and betting strategies. Our casual games are essentially as easy to play as they are to win, and will no doubt fill your days with hours of entertainment.

Keno is a game that has been around for nearly 2,000 years if you believe the general Cheung Leung was its creator, and even longer if he was only the man who modernized it. In any event, the game has been popular ever since his time, and that has not changed to this day. Of course, today, it is available online on numerous online gambling websites, and so if you are a fan and you wish to play it yourself—a quick search and a short registration procedure is all it takes. We have ensured to recommend only the best licensed platforms so security is not the issue. All you need to do is find a casino that you like, and proceed to create and fund your account, and you will be able to start playing Keno in no time.

The best thing about the Platinum Play bonus is that you can have fun betting on day 1, and even if you don't win anything, you are still not out any money at all except the money you have placed on deposit to open your account. If you are new to casino gambling or haven't played in awhile, you will really appreciate the opportunity to get some practice in at little or no risk to your bankroll. (20 € is less than you would spend on dinner at most restaurants.)

Blackjack appeared in 19th century France and offers three possible outcomes. In the first one, the player wins, then the banker wins or the game ends in a tie. At Platinum Play, you can find different versions of the game so you will find the variation that suits you the best.

Security and fair play are vital to having a positive experience at any online casino. Therefore, it is reassuring to know that Platinum Play takes their responsibilities in this area very seriously. For starters, the very fact that this casino has been operating successfully online for 10 years is a reliable indication in itself that this is a reputable and fairly run operation.

## **Ok online casinos**

Platinum Play keeps the rewards coming long after the Welcome Bonus. For starters, the more you play, the more loyalty points you earn. These points, once you have accumulated enough of them, can be traded in to add credit to your gambling account. The money then becomes immediately available and no further wagering requirements are necessary. Virtually all of the games count, but not equally. Slot play earns points faster than table games.

If you love slots, you'll be happy with the selection at Platinum Play, which includes everything from those classic three-reel, one-payline machines to advanced five-reel slot machines that include highly popular progressives offering huge payouts. You'll find top titles like Bridesmaids, Bikini Party, Dragon Dance and Wild Orient. Some popular Microgaming jackpot games include Cash Splash, Tunzamunni, and Fruit Fiesta. The jackpots for these slots get so big because of Microgaming's central shared prize pool to which Platinum Play belongs. In fact even the lesser payouts are far from shabby.

Video slots have numerous bonus features that make the gameplay more rewarding and thrilling to play. The most common, and among the favorite ones are the free spins feature. This feature allows you to spin the reels for free with the possibility to win big. To make things even more interesting, video slots include bonus rounds that are kind of like mini-games within the game. Usually, these bonus rounds offer bigger payouts so it is always exciting to trigger on. There are many popular slots you can play at Platinum Play and among them are:

It has all the features of the casino's desktop version — participating in promos, guaranteed personal information security, and a full range of payment systems. The instant play technology allows you to play games without freezes and bugs.

The joy of playing online scratchcard games should never be underestimated, especially when we have games with 2x to 10,000x multipliers ready to rock your lunchbreak. These easy-on-the-eye games are available in all shapes and sizes, so picking just one to play may be difficult.
