The regarded portal is an excellent place where you can not only play casino games but also make bets on your favorite sports events. The website combines the two most popular directions of online activity, namely gambling and betting. In this Sportsandcasino review, let's find out all the peculiarities of the platform and consider what benefits the administration offers to its clients.

A 150% Match promotion is given on new slots. The casino adds new games monthly. To introduce them and encourage players to play them, the administration gives additional lucrative offers with lower wagers and bonuses.

While it is a rarity for specialty games to contribute 100% towards a rollover, clearly, with a 5x playthrough betting on sports and horseracing is the easiest way to secure the bonus.

According to our research and estimates, SportsandCasino.com is a medium-sized online casino revenue-wise. It's a part of a group of related casinos, however, this group is still only medium-sized even when evaluated as a whole. The revenue of a casino is an important factor, as bigger casinos shouldn't have any issues paying out big wins, while smaller casinos could potentially struggle if you manage to win really big.

The player played with a bonus, but his winnings were limited to \$250 due to a maximum cash out rule. The casino's strict verification process only added to the player's frustration. We rejected the complaint because the player didn't respond to our messages and questions.
