A significant benefit of playing at online casinos is that online games have more favorable RTPs. Due to operational costs, the land-based casino may have to offer a lower payout rate on the same slot machine available online. While you can find slot machines offering about 90% or less on land, 96% is the online slot standard, and games with higher payout percentages are even better. The highest RTP slots on Hard Rock are well over the 98% mark, like NetEnt's Blood Suckers.

Level 1, for example, provides one free spin and one Sticky Wild. Level 5—the highest level—delivers three Sticky Wilds and two free spins. Cleopatra's Fortune allows bets ranging from \$0.10 to \$100 and 95.5% RTP.

The game is simple, with no frills and good odds to win! If you get five double jackpot game symbols, you could walk away \$50,000 richer.

When the high variance slot Immortal Romance was brought to the market by game developer Microgaming in 2011, online casino players immediately embraced this game en masse. The beautiful graphics, up to four different lucrative bonus features, and some highly entertaining mystery bonuses, provided the ultimate gaming experience to players and it still manages to do so about a decade later. And let's not forget the beautiful rock soundtrack Immortal Romance gives us. In fact, we have rarely encountered a soundtrack that fitted an online game this well. Immortal Romance managed to get the most out of the popularity of series and films such as Twilight and can be considered one of the best games in its genre.

The app is similar to the online site with a dark theme and many of the same controls. However, everything is customized for compact mobile screens, allowing seamless navigation.

With the release of the Wolf Gold slot in 2017, Pragmatic Play has definitely earned itself some room amongst the big boys of the casino industry. This game has a rather South Western US theme, including buffalos, eagles and of course wolves. In the background you can see the outline of the famous Monument Valley and anyone who has ever been to this area will recognise it straight away. In Wolf Gold you can win two very nice bonus features: a jackpot game and an exciting free spins bonus with Mega symbols. To us Wolf Gold looks great, plays smoothly, and pays out well — making it the perfect mix for most slot players.

Past jackpot winners have walked away with \$27.5 million, \$4.6 million, and \$39.7 million. One jackpot win on this progressive slot could change your life!

Progressive jackpots can make you a millionaire in seconds! Don't get too excited, though; they don't pay out often. For the jackpot to build to a substantial amount, winners can't happen too frequently.
