Any attempt to build up the feature value inside any game whilst having an active bonus, then redeeming it once the Bonus Wagering Requirement is not active to get the value paid out as Real Cash will be considered fraudulent play and any winnings will be confiscated. For example, playing with an active Bonus, activating an in-game feature, to then leave the game and come back and collect the feature payout once the Bonus is gone.

Gaming slot me near video

If you wish to withdraw before you manage to complete the wagering requirement, then you can cancel your bonus but keep in mind that bonus amount, the generated winnings and any wagered amount will be deducted from your overall balance. Bonus calculates bets with real money amount first and then with the bonus amount.

Company reserves the right to modify, cancel or terminate the promotion at any time and without prior notice.
