The goal is about beating the dealer by getting a hand value of 21 or a closer point on the first two cards, while still being higher than the dealer's hand. This hand value is called “blackjack”. The dealer is supposed to have a total point of 17 or more. If you exceed 21, you are busted, and if your dealer's score is higher than yours, then you are busted too. You can let the dealer take additional cards until they get busted. There are many forms of blackjack that are played on single, double, 4 decks, 6 decks and 8 decks of cards. If you are a fan of blackjack, we have a premium range from NetEnt for you to enjoy.
