I like roblox but it is still not better than minecraft in my opinion because minecraft have so much stuff, people can do a lot of stuff. I think Roblox needs to get a lot of money so they can improve more stuff than they already got. I love roblox but I still think that it could be way better, so here is some of my ideas 1. It should have better graphics 2. It should have better game servers 3. There should be more new games, but there is a thing what I don't like about roblox is that the games are kind of the same every single time, and you end up playing them too many times 4. The games should either really get harder or really easier

On July 1, 2018, ROBLOX began making all of its games free-to-play with a subscription option called "Roblox Pass" that allows users to keep playing their favorite games without having to pay anything after their trial period is over. It will be put on a student's school/work computer and will include ROBLOX STUDENT only games (e.g. ROBLOX High School & ROBLOX High School Life). The "Roblox Pass" feature is only available to users on the official ROBLOX website and all other versions of the game will have to be paid for.

On December 20, 2016, a 12-year-old girl in Las Vegas named Arielle De La Rosa was banned from Roblox for what she believed was a "harassment campaign". She had created a character named Emily Roe that she used to bully another player online. The bullying campaign went on for over a year until it came to her parents' attention and they contacted Roblox about it. The harassment campaign violated the Child Online Privacy Protection Act (COPPA). Her parents encouraged her to create a character named "Emily Roe" and they hoped that this would help her get unbanned from Roblox.

There are really unlimited resources where you can find Free Robux promo codes for ROBLOX and other sites like this. You should always remember that there is nothing that can help you get unlimited free robux quicker than using the promotional codes from different providers online. These holders of these codes will always use them because they can easily earn a good income by allowing others to use them. They also want all of the game providers on this site to make a lot more money so they will offer their promo codes and free robux resources for people who are using this site often. If you are planning to use these codes, make sure that you do not accidentally end up sharing your identity with anyone else. You should always remember to take precautions before transferring or sharing any of your information and accounts.

Rated 5 out of 5 by Anonymous from Amazing but scary I absolutely love this game. There is so much to do like make clothes, build houses, and even things on ROBLOX Studio. After I started building my own games I decided to start playing them and they are so intense. But I love it there is lots of challenges.
