This method is similar to the last one but there are a lot of difference between this method and the last one too! The difference between this method and the last one is that this it will require a lot of time to complete and there are also some missions involved in this as well. In order to get free robux by doing the missions, you will have to complete the missions that are listed under tasks of your user account. You have to complete a lot of these tasks in order for them to complete and for this reason, it will take a very long time to complete. However, once you do all of the tasks that are assigned, you will get a lot of free robux and you can use them in order to buy some cool items or invest in weapons for your character.
