On October 8, 2017, they released a video showing large amounts of bugs and glitches in the game Frostbite. These include several bugs that allow for players to place guns and kill other players in mere seconds. ROBLOX said on their blog that this was due to an "incorrectly prepared prize package" but later stated that it was an error during a new update of their "Prototype Editor", which was supposed to have fixed the issues, but evidently did not.

Roblox claims that she was fired because they found out she was using her workplace computer to dig up personal information about her co-workers and this affected her job performance. However, she claims that the only reason they are saying this is because they found out about her blog post and didn't want the bad publicity. Roblox also provided an email that Chris sent to HR in May of 2017 regarding erratic hours. She says that it was just a single complaint and wasn't fired for it.

In November 2017, ROBLOX released their third YouTube channel called "ROBLOX Explorers". This channel features a series of Epic Adventures which are adventures that will feature a group of friends going on all sorts of amazing adventures. These will include other famous gamers and YouTubers. In February 2018, ROBLOX released their fourth YouTube channel called "Roblox Top Model 5" which features season 5 of the same show as Roblox Top Model. Also that month they released a collaboration with the popular web comic Homestuck which is called Homestuck Adventure Game. On March 6, 2018, ROBLOX released their fifth YouTube channel called "Roblox Top Model 6". This one will feature the same show as Roblox Top Model and will be aired on a weekly basis.
