As a result of these allegations, another employee named Kent Duryee filed a lawsuit against Roblox in March 2018. Duryee claims that he was also wrongfully fired by Roblox after attempting to report misconduct at work earlier in 2017 but nothing was ever done about it. The lawsuit, which is currently still ongoing, is asking for \$5 million in damages and \$1 million in lost wages.

What kind of games does Roblox provide? How do people play them? What are some other things they can do in the game? This article will answer these questions! I hope you enjoy reading it as much as I enjoyed writing it.

This game has many bugs such as glitching which can happen at any time including in games. There is no way to report this glitch due to the fact that the button isn't there and you can only report it from the website. This is extremely annoying because you need to refresh the page and play all over again, but this usually happens when you are about to win.

Roblox is a very fun game platform for kids because they can create their own worlds and game scenarios with a lot of mini-games and activities such as playing sports and fighting monsters. Roblox also has many free platforms that have educational purposes which mostly focus on teaching kids about problem solving, teamwork, learning how to share with others and other social issues. The players' avatars can speak their created languages or standard English.

The company released "Build a Buddy" in February 2018, which allows users to create customizable figures of themselves. On November 13, 2018 ROBLOX released a new version of its app called Ava (ROBLOX's Mobile Application). See above section for more details.
