ROBLOX has been criticised for not allowing users to report other users who are abusing others or who are being abusive in their games. There have been a number of times where users were able to exploit this and harass other users without consequence. This was especially common on the server "The Plaza", where certain accounts were able to retaliate against other players with no restrictions.

ROBLOX first came out in September 2006 when released the first version of their game Roblox Studio (similar to Scratch). This was the original creator of ROBLOX and was developed by Jason "Akile" Akilecz (JAMASOF) from October 19 to November 5. This is the first fully 3D program for ROBLOX. The original name was "Roblox", but it was changed due to a copyright lawsuit. The name was changed to "FunRoblox", and in 2008 the "Fun" part was dropped to make it simply Roblox.

On June 7th, 2012 ROBLOX launches "ROBLOX Inc." On September 8th, 2012 ROBLOX launches "ROBLOX Corporation". On November 17th, 2012 ROBLOX and Hinton Online Group Inc. announce that they will make a \$1 million donation to the Myeloma Research Foundation. On December 3rd, 2012, a new trailer was released that has KidScape in it. On December 11th, 2012, a new trading system was added. On December 19th, 2012 a new advertisement of KidScape was released. On February 25th, 2013 another KidScape trailer was released. On March 22nd, 2013 a new game called "PopularMMOS Sandbox" was released.

On July 15, 2018, Roblox apologized after a server error caused a character called Calvin to be subjected to harassment which included cruel messages. The harassment included being charged with child pornography even when the player was found innocent by law enforcement officials. In addition, this caused some users to temporarily change their username.
