On August 28th, 2019 ROBLOX announced the discontinuation of ROBLOX Custom Physics in favor of Bloxlet. This will eventually be released as an update so that all games made for Classic ROBLOX mode will automatically have the new physics system in place, but there is an unknown future for what will happen to those games when the discontinuation happens.

On March 13th, 2019, ROBLOX announced that they were working on a new anti-fraud system called "Real Account Verification." This system verifies account information by sending a link from one of their partners to the user's email address. For this new security feature, ROBLOX will be using the services of Verified Identity Partners. The system is expected to be completed in late 2019. [30]

This generator tool has been tested by many players in the past as it has consistently worked well for them. That should be very reassuring, as you will be sure that it will work great for you as well! All you need to do in order to enjoy getting free robux on roblox from now on is to simply follow the instructions and use the generator tool. This should be more than enough for you!

On November 24th 2018, the game was reuploaded on ROBLOX and was named simply "Anthem". It is the exact same game as before with no changes or improvements.[90] ROBLOX 3D: On December 23rd 2018, ROBLOX released a new version of their website called "Roblox 3D". The company claimed that it was meant to be an improved version of their 2014 release. The 3D design features many new animations and tools for users to create models. They also put a lot of time into making it look more modern.

Free games are not limited to offering premium features; however, most free games which offer their own XP system for player progression don't offer it via premium features. Therefore, non-Premium free games will usually include the default XP system as an option instead of offering another one.
