ROBLOX has been criticized for being a scam. This is because many users have claimed that they are scammed by ROBLOX. One of these scams was when a user named "Brianna" was falsely accused of selling copied items, which caused the price of an item to go from \$10-\$20 to \$50-\$100 overnight.[50]

Roblox claims that she was fired because they found out she was using her workplace computer to dig up personal information about her co-workers and this affected her job performance. However, she claims that the only reason they are saying this is because they found out about her blog post and didn't want the bad publicity. Roblox also provided an email that Chris sent to HR in May of 2017 regarding erratic hours. She says that it was just a single complaint and wasn't fired for it.

Modifying a game's economy and XP system are the most common reasons why a Builder would want to have Builders Club Premium. With it, Builders Club members can gain more XP for everything they do in the game without having to buy anything extra. Modification of XP can also be done via third-party scripts (see below).

Many games on Roblox are online multiplayer games. These games require an internet connection to play and players earn virtual currencies. These currencies may be used to purchase premium features or clothing, which can not be obtained in game. Players can purchase these premium features using real currency such as iTunes or Google Play credit. A key feature of this application is that it allows the users to earn free Robux through online ads and offers, and then use those free Robux for in-game currency in many popular games on Roblox such as Roleplay World or Math Trade Schools .

Rated 5 out of 5 by Anonymous from Super fun, but gets expensive Really fun game, and very realistic in-game items. However after a while, it can get pretty expensive. It is currently \$8.99 USD to purchase an additional character slot. Definitely worth it at first, but you will eventually outgrow the game if you don't have the money.
