So after reading this post, I'm assuming that you've just found it incredibly useful and want to know where to get free Robux. Well if you use this trick, you will end up with at least 1,000 robux a week! I'll be releasing a video in the new year on how to get more robux. If you have any questions, feel free to ask!

Reddit - There are quite a few forums and subreddits for Roblox, but the one I personally recommend is /r/roblox. It got started years ago and continues to be one of the best places to go on Reddit when it comes to Roblox information. They have a subreddit attached to each game, so you can always find information right where you want it.

You can always go to YouTube and search up something related to roblox or "free robux". All that needs to be done is to click on the first video that has a link encouraging you to get free Robux. You'll then be directed to a page offering you an advertisement reward if you click on it.

From June 12th 2018 to July 30th 2019, the Roblox network was under a major DDoS attack from a group called "Apophis Squad". This group was demanding that Roblox pay 10 million US dollars into their Bitcoin account or they would continue to perform DDoS attacks on the site. They also threatened to kidnap staff members and steal their hair if ROBLOX declined their offer. According to Roblox, this group caused 3.7 million dollars worth of damage.[103] The group also began sabotaging ROBLOX's YouTube channel by uploading offensive videos and ads towards users who clicked on it, which caused the platform to ban the channel in July 2019.

As of February 2018, ROBLOX has over 62 million users. [51] In 2017, ROBLOX added a new currency called "Tix". These Tix are used to buy Tickets at the store; the more you spend, the better prizes you get. These tickets can be spent on exclusive items such as Christmas hats. [52]
