These kinds of mods are used for adding new blocks into the game and modifying existing ones. They will also add new features and functionalities into the game so that you can build bigger, better, and more awesome structures than before. No Drop Block: This kind of mod does not allow blocks to drop when they are destroyed by any means. This is great for if you find your character destroying a lot of your hard work.",

The best part that I like about Minecraft Bedrock Edition is that you can play right away on your server without spending money on a gaming box or 3rd party antivirus software. You don't need to install any software or extra hardware in order to make it work. The process of starting your server is very simple and anyone can do it, so you'll be playing in no time! You can also make purchases with in-game currency for extra characters, skins and other stuff from the Minecraft Marketplace, so if you decide to buy something from there you won't have any problems or issues at all.",

While in general it is unfair and unwanted by most of the server community, these actions are allowed in moderation if it done for fun or is done in moderation. I.e: glitching via mods to get through a maze or etc. The aforementioned forms of cheating are not accepted under any circumstance unless properly documented, if the cheat is known and can be done by most people then it's deemed not acceptable unless given permission by admins. So be careful what you do, so that if caught you don't get banned from the server or even Mojang servers.",
