Rated 5 out of 5 by Anonymous from My favorite game I love roblox. It is fun and it can help with school work. It's a bit pricey but worth it.
Rated 5 out of 5 by Anonymous from love this game i love this game! it's really good for my age group, except the fact that you have to pay 30\$ or so to get wings which aren't even that good to begin with! they don't even fly that great, plus they only last for about 3 minutes anyway... other than that it's a great game!

Roblox uses multiple methods of advertising. They first started advertising on websites like Nickelodeon, but they have moved to focusing on social media sites like Facebook and Twitter.[66] Roblox also primarily advertises at gaming conventions such as E3 and Minecon. Roblox has an official YouTube channel on which they occasionally stream live events called "Developer Live", where Roblox employees give sneak peeks of upcoming features.[67] They have also recently released a list of YouTubers that are apart of their Developer Program called the "Roblox Ambassador Program". These YouTubers are able to test new features in Roblox before anyone else with the exception of Google employees.

Roblox cannot afford to go down the path of Farmville. They need to remain an open source program for everyone, where people can come together as equals and play fun games without being forced to pay money to be able to continue having fun within their virtual world. People who think they can't afford to pay should just get used to not having an ROBLOX account because that's what's happening. People are being kicked off the server by player banning.

On March 31, 2010, ROBLOX announced that they would be updating their policy on how they handle user information.[1] On May 5, 2010, a mass email was sent out from the company to its users informing them of changes made to their Privacy Policy and Terms of Use. The changes were made in the name of increased safety and security, and it was stated that the change was made in order to "protect [its] members."

Robux are the primary currency in Roblox. They can be used to purchase a variety of clothing, accessories (such as hats and T-shirts), tools, gear (backpacks, jet packs, and recovery kits), armor (vests and helmets), vehicles, special movement abilities (for example flying or invisibility), decals (decorative symbols which can be placed on vehicles or buildings) and more. The minimum one-time purchase of Robux is US\$4.95 (\$5 Note: this price has been around since 2013 but was not posted until 2015). Many items require substantially larger sums to afford them.
