On August 31, 2017, there was a large lawsuit that ROBLOX was involved in. The user "Bella Thorne" had an unverified account that was deleted by ROBLOX due to copyright claims, although these claims were proven false. Then, the account was deleted and the user made a video about how her account got taken down, where she shows screen caps of some users who hate her on the website, as well as saying several bad words such as foul language and racial slurs.

On July 26, 2018, ROBLOX warned its users about several scams on Roblox that are being advertised on YouTube. They were shown to have included links to pirated, unlicensed games, which are at risk of having their ROBLOX accounts banned due to the unauthorized distribution of their intellectual property.
