Free agency is a joke because you get pretty much your pick of the litter of top available players. If only the real-life Reds could walk in on day one and sign Mark Loretta and Dontrelle Willis to cheap contracts without any other team offering them a deal.

There are already lines of code in all Roblox games. For example, an obby might have a script that tells the game to give you a reward when you reach the finish. A hacker could make a copy of that script but change some things up a bit to give him the reward without completing the obby. You can learn more about scripts on the Roblox Wiki
