3. Due to the fact that there is no way to get more revenue from robux, there needs to be a way for people who have robux on their account that they cannot withdraw. 4. The rule that is stated to be against ROBLOX's rules is not an actual rule but it is a suggestion to stop inappropriate content.

The company continued to grow after adding more games, more ways to interact with other players, and updates to their backend engine. In 2008, the company launched an official website for users to store their games on the website's database and manage their avatar. In 2009, they also launched a virtual currency system called "Robux". These features allowed them to attract a large amount of players to the website at an early stage.

In July 2018, Roblox had allegedly banned several high-profile creators due to the fact they made violent games. Although Roblox claims users were banned "due to improper behaviour" nothing has been proven yet. The situation is occurring in many forums and websites. In July 2018, ROBLOX put out a statement saying that they did not ban any creators, but instead were involved in a legal dispute with the people who claimed to have been banned.[82] They later said that anyone who was banned for making offensive content was "part of an organized effort by bad actors to scam our users. We have no tolerance for this behavior and we're doing everything we can to protect our community." [83]

These types of codes can be very useful for anyone that is using it because it can give them unlimited free robux. They can use this type of code to purchase all of the things that they want to have in different games. Since there are so many different types of things that they can have with these types of codes, they will not need to spend any real cash when they use a code like this one.

In June 2014, ROBLOX introduced their simplified privacy policy and terms of service. Under this policy, all private chats were deleted upon logging out.[4] However, any game-related chats will remain in-game. Users are able to delete their own game-related chats, but deleting a chat does not automatically delete the messages or comments within that chat.
