In 2018, the company announced that they would be adding new measures in an attempt to stop children from getting weapons and access to violent themes. These measures include making it mandatory for anyone under the age of 13 to provide proof of identity when signing up for a Roblox account. The report also stated that the company has a team of moderators who work with different groups such as parents and educators to monitor games and stop users from being able to access offensive content.

This tool has a very simple setup as everything will be done automatically for you. This means that you don't have to do much of the work, and you should be able to get free robux on roblox from now on. This is more than enough for anyone out there to get started with!

14. The only way to get a game on Roblox or get updates onto a game is through requesting it by going to the developers profile on Roblox and requesting the game, as well as getting the updates, and other stuff that goes on within the platform. 15. When people talk about games that do not function properly or have glitches within them, they should not be punished or reported because it's not their fault that there are glitches within the game. 16. Instead of banning them, developers should be able to fix these glitches without getting banned. 17. People always say that Roblox is not a safe place for kids to go on but it's a safe place for kids to play and enjoy free games because all the games are fun and most of them don't have any inappropriate content. 18. I love Roblox so much! I will never ever stop using it...

As of March 2017, Roblox has over 64 million users with 30 million monthly active users. In January 2017 it was announced that females now comprise more than 36% of its demographic, up from just 26% in 2015. Roblox has also had a steady increase in overall player count since 2015. In February 2017, Roblox launched a redesign of its user interface, designed to make it easier for new players to learn about the game and play it. Over 200,000 people signed up during the first week of the rebrand.

On February 2nd, 2019, an announcement was made by ROBLOX as they were planning on allowing users to purchase 'Clips' which are in-game blocks and scenarios that can be used in their games.[108] These Clips would later become part of their new launch system that will be called Studio and released at a later date.
