The product was heavily criticized by users who claimed it was just a copy of YouTube.[87] On September 24th, 2018 ROBLOX announced that they would no longer make updates or interact with people's comments.[88] It is unknown if they will continue making content for the channel.

However, ROBLOX did announce that they are continuing to work on improving their products.

Also, our operators are very pleasant. You may have to wait a little bit, but don't worry – it is definitely worth it.

Roblox claims that she was fired because they found out she was using her workplace computer to dig up personal information about her co-workers and this affected her job performance. However, she claims that the only reason they are saying this is because they found out about her blog post and didn't want the bad publicity. Roblox also provided an email that Chris sent to HR in May of 2017 regarding erratic hours. She says that it was just a single complaint and wasn't fired for it.

According to a report by SuperData Research, Roblox had an estimated 5.7 million monthly active users in 2018. The report states that their statistics were based on the call records of around 1 million Android users who are under 13 years old. In their report, the company estimated that 6% of their users were under 12 years old. The reported monthly active users also included those who played Roblox on a daily basis. Their estimate was 14% and they based this on the number of days that players spend playing Roblox on any day. In addition, the report also stated that 32% of their players were in North America and 29% were in Europe.

You can't win. They're removing the only value in the game. When that happens it's going to turn into a giant useless wasteland of abandoned servers that will do nothing except make ROBLOX developers richer while people are kicked off for no reason because they don't have enough money to waste on fake money.
