jump hack minecraft

The game utilizes a block-based mining and crafting system. As in Minecraft, players can gather resources such as blocks of wood, stone, ores,

plants, and foodstuffs from the environment to use in crafting. While players are able to craft a variety of basic weapons such as axes and swords using these materials, they will need to gather blueprints for advanced items such as firearms and explosives. The game features combat between players where every player has access to health regeneration; this prevents battles from lasting indefinitely and makes it more viable for players to attack each other with melee weapons instead of guns.",
