ROBLOX has been criticized many times since its creation. Many users have been dissatisfied with ROBLOX's in-game currency system which involves real money transactions. The price of things such as hats and shirts can be absurdly high, which causes some users to scam others out of their money. This can discourage people from making positive contributions to the game due to its poor reputation among many players.

My parents really like Roblox and they think it's a great way for me to make friends. They think it's good that I'm able to talk to other people online, meet new people and talk to them offline as well. The game is very social, so they like it because I've made many great friends through playing Roblox. I really enjoy Roblox because it has helped me develop a lot of social skills, and it's also a game where you get to meet new people from all around the world. I will continue playing Roblox because it gives me the opportunity to have fun and make new friends.

As of March 2017, Roblox has over 64 million users with 30 million monthly active users. In January 2017 it was announced that females now comprise more than 36% of its demographic, up from just 26% in 2015. Roblox has also had a steady increase in overall player count since 2015. In February 2017, Roblox launched a redesign of its user interface, designed to make it easier for new players to learn about the game and play it. Over 200,000 people signed up during the first week of the rebrand.

Rated 4 out of 5 by Anonymous from AWESOME!! I love ROBLOX SO MUCH!! It has all these cool games and places where you can buy stuff. It is a really fun game where you can make friends. Rated 4 out of 5 by Anonymous from Love it I've been playing this since 2006, still playing it today, I would recommend this to people 8-14. Some add ons are pricey but the game overall is great.

It's important to note that ROBLOX has banned players for using the button in a false manner. If you receive a permanent ban from ROBLOX, your account will be deleted permanently. The only way to prove you are innocent of wrong-doing is to appeal the ban within 7 days of receiving it and bringing up evidence from the investigation of what actually occurred.
