Roblox gives players the option to purchase membership for High School, Middle School and Elementary years. Players can upgrade their account to a VIP member which gives them time to play online when not connected to school wifi, and playing in moderation on weekends after school. Memberships cost between \$9.99 USD (\$10 Note: this price has increased since August 2018 but was not posted until September 2018) for elementary students, \$12.99 USD (\$13 Note: this price has increased since August 2018 but was not posted until September 2018) for middle school students and \$17.

On December 10, 2018, the "Free robux" cards system was removed by ROBLOX. Many players believe that this was done due to scamming of codes and due to players complaining about receiving cards they didn't want.

This will work on all of the ROBLOX games because it is an official application so that makes it even better. It is completely safe to use as well so there shouldn't be any problems with it after all. Also, the generator is powered by advertisements so you might encounter a lot of ads after you have connected your account with the generator. Just click on "Generate Robux" in order to start generating free robux for roblox.

On March 13th, 2018 the ROBLOX website was temporarily shut down due to multiple exploits on the site. With over 200 million players this has become one of the biggest DDOS attacks in history. The site came back online about 30 minutes later.

Roblox is a video game platform created by American programmer David Baszucki in 2006 as a social game for children ages 8 to 13. The game is free to play, but contains some limitations like the amount of characters and objects that can be placed in a single game.
