Normal chat rooms for most players will probably contain users asking different questions about the game as well as people chatting about their creations. Other chatrooms include a room where people can indicate whether they want someone to play their games or put them up for sale and a "Celebrity Chat" that allows known celebrities to visit and hang out in the chatroom.

Tickets are the secondary currency in Roblox; they can be used to purchase a variety of vehicles, gear (backpacks, jet packs, and recovery kits), weapons (grants a player additional hit points upon taking damage), and other items. In order to purchase most of the premium items from the store, one must own more tickets than is currently available in the user's inventory. The minimum one-time purchase of tickets is US\$5 (\$8 Note: this price has been around since 2015 but was not posted until 2017).
