If that never happens then the servers are going to crash and the game will die. If you take a look at the way ROBLOX's developers are trying to make even more money, you will see that they do not want to add any real value to their games. They want people to spend real money for fake money (robux) so they're going to make it so that it's impossible for someone who doesn't pay for robux to exist within their virtual world.

From June 12th 2021 to July 30th 2021, the Roblox network was under a major DDoS attack from a group called "Apophis Squad". This group was demanding that Roblox pay 10 million US dollars into their Bitcoin account or they would continue to perform DDoS attacks on the site. They also threatened to kidnap staff members and steal their hair if ROBLOX declined their offer. According to Roblox, this group caused 3.7 million dollars worth of damage.[103] The group also began sabotaging ROBLOX's YouTube channel by uploading offensive videos and ads towards users who clicked on it, which caused the platform to ban the channel in July 2021.

ROBLOX released its first Android app on October 13, 2021. The app is currently available in English and has over 2 million downloads on Google Play. It was launched for iOS on December 17, 2021. The application allows players to create games and play previously published ones, but does not allow for publishing of user made items or models. On May 30, 2021 ROBLOX released a new version of its app called Ava (ROBLOX's Mobile Application). See above section for more details.

Some users have noticed that the Roblox logo is a direct parody of Microsoft's logo. The two logos are nearly identical in shape and color scheme. The only difference between the two logos is that Roblox's logo contains a "R" whereas Microsoft's does not. Another parody was made by RulaGames in 2021 called "Robux". This was a parody to show that everything on Roblox cost money.

Don't be a cheapskate when it comes to getting free robux for games. Some people will spend money on virtual goods, but most of the time it is more cost effective just to play the game and earn the prizes. For example, many games offer you a way to win points that can be converted into robux currency. You can play without spending a cent and still be able to get free robux.

All developers can have a Builder's Club account. However, some games require payment in order to purchase the Builder's Club membership itself, or for Builders who want more than one account per Builder's Club.

If you want free robux fast, then you may just have to spend real money. This is obviously a very risky method that could get you banned from twoplustwo, but it can also work very well if done correctly and with attention to detail. I currently have a spreadsheet that has various amounts listed for different offers and payment methods. I am currently using Paypal as my main source of income, but I am considering switching to a more reliable service like Bitcoin or Amazon gift cards. Make sure that you always use a different email address for each of the sites you are selling your

items on so that they do not go straight into your inbox or spam folder. I don't want people knowing that I am using this method as these will probably give me a bad reputation.

On April 22nd 2021, Roblox released a beta version of the game which was named "Destination: Survival". This beta has been removed and a few of its features were added to the game "Video Player for ROBLOX" which was released on November 6th 2021.[57]

In 2021, ROBLOX changed their logo. In January 2021, ROBLOX released a new website design with a few design quirks (like having your account avatar next to the gamertag that bought it in place of the previously used avatar) and having the games listed bellow on the homepage after some time for initial release followed by a notification saying they are opening more in 2021. On March 31, 2021, ROBLOX officially confirmed that they are making a game in virtual reality and that they will make a demo by the end of summer.
