There is a rare item that can be found in some games called "the orb" which is a blue orb looking like thing. It comes from a sound that the game creator puts in the game and if you get it, it can be used as an attack to kill the enemy with or to do other stuff like make you invincible. The orb is very rare to get so it is not really good to use if you do not want to waste the item, but I think that this item should be more common, so we don't have to spend too many robux on it.

On November 10, 2014, ROBLOX launched an invite-only beta for the virtual currency Robux. It was released to a small fraction of its user base whose accounts had been verified by Robotcrab, Inc. The currency was named after ROBLOX's mascot. All games and item purchases could only be made with Robux. The overall value of Robux is dependent on ROBUX exchange rates in the game itself; however, all players are guaranteed to receive the same amount of Robux (at the same time) regardless of their financial situation or how they choose to use them.

The free robux card codes are the cards that were given out to players who completed a certain action on Roblox. The player would then be able to collect the card and have it autoclaimed as soon as they logged into Roblox. Codes could be used to redeem the extra Robux and Builders Club. Codes were received through several different ways. Players could receive a code from a friend, or they could get a code from the internet. Codes were sometimes given out for certain reasons, such as attending conventions for Roblox (ROBLOX RocketCon) or writing about Roblox on your blog/website. Codes are autoclaimed when you log into your account on ROBLOX.

19. The only real problem with roblox is that there is no way to make a person get out of the main menu like one can on minecraft. 20. I love Roblox! I am getting a new headset for my new laptop and I'm so excited! This is the only game that my parents are okay with me playing. They know how to work it and are able to keep an eye on my account. It's safe. 21. Funny

On December 10, 2018, the "Free robux" cards system was removed by ROBLOX. Many players believe that this was done due to scamming of codes and due to players complaining about receiving cards they didn't want.
