In conclusion, Roblox is not only a highly addictive game but an educational one as well. It is easy to see why so many kids love to play this game! ROBLOX offers a large variety of games for many different audiences. It also has an excellent system for users to generate custom content so anyone can have their dream game. All in all, this is a great game that everyone should try at least once.

On May 9th, 2015 ROBLOX changed their logo again which became more square and flat then their old one. Their previous version was rounded more than their current version. On November 5th, 2016, ROBLOX released yet another logo which is now a modified version of the 2010 logo. The new logo has a more pixelated layout and a different shade of blue.

Not all games are created equal and often we see them develop at an incredibly fast pace which makes us believe that this process will be smooth and easy but it doesn't always happen that way: first of all, people often have unrealistic expectations for themselves and secondly they forget to look at what others are doing and how the market reacts to new games.

Rated 5 out of 5 by Anonymous from I love this game! ROBLOX is the best game ever! I have been playing it for over 2 years and it has never got boring! There are over 1 million games on it so there is a huge variety to choose from. Rated 4 out of 5 by Anonymous from IMPROVES MY CREATIVE SKILLS This game is really fun you can be a teacher a doctor or even president with your friends or just by your self, this game teaches me lots of things like: building, acting and more things that makes me get better at life.
