UPDATE: There are many different ways of earning free Robux. When I first wrote this guide, the most effective way of earning free robux was playing games. This is still true today. But now that new generators have been discovered, players can now earn free robux without playing games like they used to. The best one is HelloRoblox and its sister site HelloRoblox2 .

On July 19th, 2019, ROBLOX announced its new version of the catalog, where users can now search games by the Tags that already been implemented onto all of the games recently. This was created to allow users to discover new content with ease and quickly find what they are looking for. Also more updates have been added in this catalog such as viewing game thumbnail frames, images, descriptions, and more.

In 2012 the company sponsored an event at the Children's Museum of Pittsburgh to raise money for charity (Watsi). This was called Roblox Builders Club: Mutliplayer Tournament which raised over \$6,000 for charity water.

In January 2013, the Chinese government started an investigation into various MMORPGs to determine whether the genre was suitable for children.[58] The same year, Sigaty discussed the possibility of a Battle.net-like service for World of Warcraft.[59]

On October 4th, 2018, Roblox introduced a new game mode called "Elevate", which had players build futuristic skyscrapers in the sky. Players were able to earn money by selling their custom skyscrapers for Robux. It was soon discovered that many of these buildings were copies from the game "Survival Island", prompting ROBLOX to ban users who had copied these buildings.[79]
